Dear Dr. Allen: Wednesday

I thought you might like to know that Marvin had an appendectomy on July 7 and was to leave the hospital July 15. I was home last Sunday and visited him.

He is getting along wonderfully well and said to tell you that he had some K. U. Doctors working on him and that they said they would have him in good condition for basketball this Fall.

I hope you are having an enjoyable summer. Tell Bob hello for me.

Sincerely,

Gilbert Sollenberger
