Dear Chet:

I am just now acknowledging receipt of your fine letter of February 15th last winter.

I certainly enjoyed your forty years ago episode. I remember very well being one of the high school boys when we met Dr. Naismith and his Kansas Jayhawkers at old Union depot. Didn't we have a lot of fun, and what a ball game that was!

I was glad to read that you were one of the first men awarded a "K" in basketball, and doubtless you deserve a lot of credit for putting up the fight to have that sport recognized.

Thanks, Chet, for writing and reminding me of the fortieth anniversary of our first meeting. At the next forty years we will have a hot time, won't we?

With all good wishes, I am

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
