Dear Wilfrid:

Your wire to me was turned over immediately to Dr. Elbel, who is the General Manager of the Kansas Relays under Gwinn Henry, Director of Athletics. He stated that he would wire you the information at once and I am sure the same went forward immediately.

I am not sure that I will have an opportunity to greet you when you come because I am coaching Varsity Baseball and we will be down at Norman, Oklahoma on Thursday and Friday, and then I have a speaking engagement at the University Club at Wichita on Saturday night.

I am getting to be one of those famous orators, don't you know; the kind that the gardeners reserve their produce for.

It is always good to see you.

With kindest regards, I am,

Sincerely yours,

Director of Physical Education and Recreation  
Varsity Basketball and Baseball Coach
