Mr. Dale D. Shannon
Deputy District Attorney
Fort Collins, Colorado

Dear Dale:

Thank you for your delightful letter of the 5th instant. I assure you I was more than pleased to hear from you and to know that you are in such a splendid position.

I am glad that you got some pleasure out of the Saturday Evening Post article.

We lost to Oklahoma last night so that lets us out of the championship and our conference season is over. One of our boys, Sollenberger has glandular fever and will be in the hospital for sometime. I certainly will remember you to Engleman and the rest of the boys, and I certainly want to thank you for writing.

You may rest assured that if I am ever around Fort Collins I will make it a point to look you up.

You bet, I do remember the track team that won the dual meet at Missouri and how we did eat, and what a good time the gang had.

With kindest personal regards and best wishes,
I am,

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
