Meriden, Connecticut

Dear Joe:

It was fine of you to write me as you did on
January 22.

If anything happens and your son does not enter
Princeton University next fall, you bet your life it will
be a pleasure for me to do anything I can for him here at
the University of Kansas.

I do not know whether the Post article mentioned
the fact that Bobby, our youngest son, who is on the Varsity
and who is a pre-medic, will enter medical school at the
University of Pennsylvania next fall.

I am glad to know that you are so nicely situated
and nothing would please me better than to have a friendly
visit with you when and if it ever becomes convenient. I
recall the many pleasant visits that I had with you and I
would cherish more of them.

Thanks for your good wishes and I assure you mine
are reciprocal to you and your good family.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
