Dear Dr. Allen

While reading the Kansas City Times this morning I noticed that the K. U. annual Football banquet is Dec..16. Knowing that you always enjoy meeting with a group of young athletes and especially since this is on the K.University campus I wondered if it would interfere with our engagement?

In regard to our date all ready set. I would like to know for sure if you will be able to come.

If you won't be able to be present on the set date, here are a few other open for us, Dec. 11 and 12, in the evenings or any day after the Christmas holidays.

We are still very interested in your appearance before our organization so will be glad to work with you on different dates.

Sincerely

*Wallace Swanson*
