Lawrence, Kansas.

Dear Doctor:

The Eastern Kansas Osteopathic Society meets in Ottawa, Thursday, December 12th, at 7 P.M. and it is my job to obtain a speaker for that occasion.

We would be mighty happy to have you fill that place on a subject of your own choosing. I don't want to insist on anything like this if you feel it will in any way jeopardize your position in relation to the University set-up. However, we are anxiously awaiting your reply to this urgent invitation.

Kindest regards,

E. Claude Smith, D.O.
