Dr. Forrest C. Allen,  
University of Kansas,  
Lawrence, Kansas.

Dear "Phog":

If I had been able to make a  
recommendation to you, I would have wired.

I checked this matter with  
Dr. Oberteuffer, who does not find any suggestion  
to make with reference to such a candidate as you  
seem to require. Practically our entire graduating  
group in the Major Physical Education course have  
been placed, which accounts for the fact that at  
this time there doesn't seem to be anybody left  
we would care to recommend. I am sorry, because I  
would like to have one of our men with you in your  
Department.

Cordially yours,

L. W. St. John,  
Director of Athletics.
