Mrs. Josephine Sams,  
310 So. 7th St.,  
Salina, Kansas.

Dear Mrs. Sams:

Your letter of the 9th has come to the office during Dr. Allen's absence, but I think I can give you the information you desire in regard to the names of the William Jewell College people.

Dr. Allen, as you probably know, left early Thursday morning for the University of Texas. However, when he returns he will see your letter, and I am sure that he will do anything he can for you.

The Dean of Women at William Jewell is Miss Ruth Lindsey, and the gentleman who accompanied her was Professor Bowles, of the Department of Physical Education. I have called a couple of offices trying to locate a W-J catalog in order that I might get Prof. Bowles' initials, but there seems to be no catalog available.

I'm sorry about the Salina job, but I sincerely wish you success in the William Jewell opening.

Cordially yours,

h

Secretary to Dr. F. C. Allen.
