Mr. John Slocum,  
1526 Plass Avenue,  
Topeka, Kansas.

Dear John:

Thank you very much for all the trouble you went to, and for your hospitality and kindness in showing me around at Seneca. It was indeed a pleasure to be in your parents' home and I enjoyed every minute of it, although the time was short because we had to move on to Lincoln that night.

Congratulations on being the moving central figure behind the Kansas spirit that evening. You have certainly done a lot to boost the University of Kansas, and I, for one, appreciate it very much.

I hope that your appendix is giving you no more trouble and that you can now go along uninterruptedly.

Sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
