Dr. F. C. Allen  
University of Kansas  
Lawrence, Kansas

Dear Doctor Allen:

This afternoon I called on Mr. Shepherd of the City Park Department in regard to a life-guarding job. He asked me to get references from as many persons as possible and as he said that he is acquainted with you, I thought that you might write him. He has his offices in the Kansas City, Missouri City Hall.

As he is to talk to me again Monday morning it is important that he be contacted immediately. If you will help me I shall greatly appreciate it.

Sincerely

*Curvin H. Greene*
