Mr. R. D. Watkins,  
Basketball Coach,  
Nebraska State Teachers College,  
Kearney, Nebraska.

Dear Coach Watkins:

I am not sure regarding our basketball schedule for next year. We are planning on taking a trip, and as we are limited in the number of games, I am not sure that it would be possible to play you. However, if there is such a possibility of our staying at home for the games, as we did this year, it will be a pleasure to play you.

For several years we have played a number of small colleges and have done most of our training here. However, I think next year we will get out and play the major portion of games away from home.

I want to thank you very much for your nice letter regarding the new book and also the kind words you have been regarding our system.

I trust that you are having success with your team, and I assure you if there is any possible way for us to play you, you may count on a game. It will be necessary for us to wait until I determine our schedule.

With every good wish, I am

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
