Mr. Forrest C. Allen,  
Basketball Coach Univer. of Kansas.  
Lawrence, Kansas.

Dear Mr. Allen:

Will it be possible for my basketball team to meet yours in a practice game early next season? I realize we cannot play you even a good game but probably it would serve as a good practice game for both.

I am a true believer in your system and would consider it an honor to have my team meet yours in a practice game. If you think it is possible for an early game next year then will you please write me about the game and as to a guarantee, time, etc.

I like your new book better than the Bible you wrote.

Hoping that I may hear from you soon, I am,

Sincerely yours,

*R. D. Watkins*
