Dear Russ:

I am very happy to fill out your credentials, as you desire.

Thank you very much for your kind words regarding our basketball team. We were very lucky and fortunate to get as far as we did.

Bob is a pre-medic and will be a senior next year. He expects to take his medicine at Harvard and desires to take a competitive examination for a scholarship there. We are able to send him, but he wants to see if he has the old gray matter, and of course when a fellow is pepped up like that the only thing to do is let him go through with it.

Give our love to the Myers family. We are very fond of them. Give Mel Griffin and Bert Smith our kindest regards. We think a lot of both of them. I am glad they are both getting along nicely.

With best wishes and kindest regards to you and your good family, I am

Very sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
