Mr. A. V. Garcia,  
Coach of Basketball,  
Mexico City, Mexico.

Dear Coach Garcia:

I want you to know that I received your Christmas greeting card, and I appreciated it very much. I trust that you are getting along splendidly down your way, and that you are winning more than your share of games.

I have been planning on taking a trip south next Christmas. I am wondering if you could arrange some games for us if we got down into Mexico. What sort of a guarantee do you think that we could get? I would be happy to hear from you.

Wishing you the best of the season's greetings, and hoping to hear from you soon, I am

Very sincerely yours,
