Dear Mr. Allen,

I got the surprise of my life Saturday when I received through the mail this magnificent Elgin watch with proper inscription attached. I can only say that I have never received anything in my life that I appreciate more and must say that I do not quite deserve such a gift.

I wish to express my deep gratitude and thankfulness to you because I feel certain that it was largely due to your efforts and thoughtfulness that I received such a wonderful present.

Kindest regards,

J. W. St. Clair.
