Dear Dr. Allen:

I thought I would get back to K. U. long before this but I have been very busy all year. I like my work fine.

My basketball season was good. Right now we are going to try and do something about the District Tournament.

I am looking around for a larger place next year. I am hoping you will let me use your name as a reference. You have been very nice to me in the past and I certainly appreciate it very much.

I will have no trouble in getting back here next year but I would like to find a larger school.

I hope it will be alright with you if I use your name as a reference. I wish to thank you again.

yours very truly,
Raymond Swanson
