MISSOURI - KANSAS - TEXAS R.R.

Monday Aug.

Dear Phog:

En route to Houston

on business. Just read the enclosed in the Ft Worth paper. - I think it is one

of the most accurate descriptions

of you I have ever seen.

You certainly lived up to your reputation the

last couple of days -

Good luck this week and.

Let know if I will get home by then or not -

As always your friend
Sam L. Drury.
