Lawrence, Kansas.

Dear "Red":

I learned of your excellent showing on the basketball court, and want to congratulate you. Keep up the good work, Red, because some day we expect you to play on the K. U. team.

Many of the Kansas great players have been Lawrence boys like you - they have watched the stars play, and something was created in them to become great players. After all, greatness is only achieved by hero worship coupled with an insatiable desire to match in leadership the stars of former years. We wish that success for you.

With all good wishes, I am

Sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
