Mr. Fred Schulenberg,
Sports Editor,
The Independence Examiner,
Independence, Mo.

Dear Mr. Schulenberg:

Your good letter of the 27th instant has been received. As you know, everything in the way of reserved seat tickets has been sold out for nearly a month. I have nothing to do with the tickets, but I personally went to Mr. Earl Falkenstien, financial secretary of the Athletic Association, and asked him to do the best he could.

Doubtless Mr. Falkenstien has written you. I regret that your letter arrived so late that it is impossible to get tickets, but I am sure you will understand our limited space here. Our press table is terribly crowded even for the local correspondents.

Very sincerely yours,
