Dr. Forest C. Allen  
Director of Athletics  
University of Kansas  
Lawrence, Kansas

Dear Dr. Allen:

The Independence Examiner will be represented with a reporter at the Kansas-Missouri basketball game Friday night. We would appreciate it if you provide us with press passes for the game.

The Examiner has followed the progress of the Kansas team intently during the current campaign, and we are proud of the fact that the Kansas coach is an Independence product.

Sincerely yours,
