Dear Pat:

Certainly happy to have your letter of January 3rd and we will be waiting with great expectancy to meet you and Mrs. Siler to renew old time acquaintances.

Yes, I remember Harold Newman very well, and how could we forget old "Red" Frank Barlow. I understand that he is practicing medicine. Am I right?

We can chew the fat, Pat, Monday night.

With great anticipation, I am

Cordially yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
