Principal L. W. Brooks,
Wichita High School East,
Wichita, Kansas.

Dear Mr. Brooks:

It was a pleasure to be with you last Wednesday, although the job of making two speeches enough different to interest the repeaters tries the efficiency of an ordinary animated cartoon.

Please convey to Principal Truesdale that I have passed on his greetings to Professor J. J. Wheeler.

Looking forward with anticipation to seeing you this summer when you are teaching in the University, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
