

August 12, 1939.

Mr. Raymond Swanson,
Randolph, Kansas.

Dear Raymond:

I think that we have done all that we can do, and the only thing I know is to hope for the best. If nothing else turns up, go out and make a fine success of the job that you already have, and then other opportunities will open for you.

I am leaving for St. Louis and Atlanta Sunday evening, and will be gone until about September first.

Best of luck to you, Raymond.

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
