Dear Doc: , new forther to see our out without to go and follist edit to

How's the great inventor these days. Saw pictures of aged to two once but yarene yn to ille nityo's fun ille I with yn entli I ti the game in the Star a Sunday or two ago and it looks like you have invented the game of the future. In fact I don't see why Grover Whalen and you, the not sention. In Item ton like because you sall not estil not and like to like and because you two greatest promoters in the world, couldn't get together and put this bestonet on exale Limitedual new to due come of exil absorbe medit see of exil game on exhibition at the World's Fair. The caption of the advertisement esence to octabe end to morrowers ment seel antidom to mote bloom I tond semitemen could read something like, "Ladies and Gentlement, Come One Come All and elittes of anillis meed even I "todd so qu begeg os wate of bred redder et di dud Witness the Game of the Future". Then put in their somewhere that their -mos a sad today the day for the fir the didenormous end made ased the day children and children's children would someday play this game in preferance bluce I erger wit a retta neltmen a driw visice eldanorser a las dese eldadroit to eating their Wheaties. Anyway Doc. the game does sound like it has possto moonab one most abuse authions atom out vicult a'dl witow actil ym di onlan issiblities and I have heard considerable comment about it. (The comment has "theo of guildrence eval not as mol as deal gridrens for to occors been good)

-alb veligens and this way ored of mean ast strety I'm Doc I have been a bond salesman, a collector of contrial erout it em flet blike nov it intrebace me I ind ameldore un duoda motette butions for the Boy's Dormitory at the University for the Endowment Assn., ducte original bas desputes of the thirt I dadt wol Live breshed edt da tevro espect and now I am a part time elevator operator at the Brotherhood Bldg. I have on no denot di estan et anter m'I d'un estit I'll "I'now Lemestes vient really been perplexed about just what I have wanted to do. Have been going around the employment agencies today looking for some openings. Believe that had on dolld test femole nuithbou moditil as the si woll I will try personnel work, do you remember that you called me your personnel ours bed admentaltered edd to enou doldw at makeners wells oft memory ofber a manageme, well anyway I have been using that as my previous experience in this di brand evad bino maisalmeno empitanimeno Larebel est li mit \*vero olber work. I have several leads and have been trying to follow them up. Ran into Her amended for the world of the world bluow well a world bluow well a lawyer that told me that the Standard Oil company in KC, Mo. had gone quite and and the to be personned interpreted to bid the cot and a transmit for the feet here extensively into the personnel field. I was wondering whether you knew anyequie boos at assente vor sor evad por bered pot sit ede il . secitvos one over their that I might talk to about this work.

in your office. You know that in bond selling or insurance work I can't put
much effort out because I don't feel as if I am doing a real service. This
personnel work I believe is the one that will be the job of tomorrow for labor
