University of Kansas
Lawrence, Kansas

Dear Doc:

I would appreciate it very much if you would send to me the dimensions of the four-wall handball courts as they stand behind Robinson gymnasium there at the University. The inside dimensions will be quite satisfactory.

I also received notification of the golf tournament to be held in connection with commencement. As I have been unable to find any graduates that are going to be back this year, I am afraid you will have to pass up Russell.

Trusting this does not inconvenience you,
I remain,

Yours truly,

Wilbur R. Shaffer
