Mr. Dolph Simons, Jr.,  
Brainard, Minnesota.

Dear Dolph:

Just before I leave for St. Louis and Atlanta, Georgia, I want to let you know that I enjoyed reading your letter of August 6th. It would have been a pleasure to have you here, but I know that you are in a much more pleasant vacation area than if you were here in Lawrence.

However, I want to tell you that we have been having lovely weather for a long time and we are just as proud of Kansas as the Californians are of their wonderful weather.

You know, Dolph, these little fellows have had a great time playing Goal-Hi, and we would liked to have had you with us, but we expect to put on an exhibition game between halves when the varsity plays this winter and perhaps you can get in that game. The boys seem to like it very much.

The letterhead of your note looks very interesting. I see the University of Minnesota football stadium and the wonderful fieldhouse. They seat 14,000 in that building for basketball.

Hoping that you and your parents are having a very pleasant vacation, I am

Very sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
