Mr. John Slocum,  
951 Harrison,  
Topeka, Kansas.

Dear John:

I wonder if you would like to accompany me to Sabetha on Thursday of this week. I will be glad to stop in Topeka and pick you up. I will be going on to Ames from Sabetha, taking the golf team with me, and we have to be there Friday morning, so I am sorry that I will not be able to bring you back home.

I received a nice letter from Dr. Wrightman this morning saying that his mother is critically ill at his home, and that he had made arrangements for me to stay with Superintendent Stark. However, as I explained, I plan to drive on to Ames with the boys, stopping enroute.

They are having a 6 o'clock dinner at the Country Club, and I have promised Dr. Wrightman that I would arrive at his office at 5:30 and go out with him. I will leave here shortly after lunch, and will be happy to stop in Topeka to pick you up. Please let me know by Thursday morning if you would like to go along.

With best wishes, I am

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
