Dear Eddie:

Thank you very much for your kindness in sending me a copy of the manual you have prepared for recreation supervisors. This contains much valuable information, and we appreciate having this copy for reference.

I am suggesting to Miss Mary Kay Lattner, of Tulsa, Oklahoma, who graduated here last June with a major in Physical Education. Miss Lattner is handling recreation work for the Y.W.C.A. in Tulsa and is very much interested in organization, program building, and so forth.

With best wishes, I am

Very sincerely yours,
