Dr. Allen I hope I'm not bothering you too much but there is some information I want and as I'm a shut-in the only way I can get it is by writing and finding out. There's a radio program called What's My Name. Its a contest in which information is given concerning a well known person and the contestant guesses who it is. The listeners send in the names and information. About 15 years ago I was almost burned to death and I suppose that is one fact that makes me a great admirer of Glen Cunningham. Although I'm a shut-in I'm a great follower of all sports especially from K.U. I'd like to send in Glen's name and information, I have all the information I need except I can't seem to find where he was born. I know he's from Elkhart but I don't know whether that is where he is born or not.

I have a hobby of trying to get letters from
