Director of Physical Education

Dear Forrest:

You were kind to the Warrensburg Mules the other night, at least it was quite fitting that the entertaining school won the game.

Judging from the way your boys romped over S. M. U., your prospects for another successful season look promising. May you have just that is my wish to you!

Since June I have been in the Department with Lloyd King, and I am glad to report that I am enjoying my work immensely. One of my duties is to assist a State Committee in drawing up a course of study in Health and Physical Education.

I am coming to you for any assistance which you can give for such a program. I am particularly interested at this time in activities suitable for boys and girls of the ninth, tenth, and eleventh grades. I wish to assure you that any assistance you may have to offer will be sincerely appreciated.

In the meantime, Happy Christmas to you and yours!

Sincerely yours

LLOYD W. KING
State Superintendent
