Mr. Elmer Schaake,
Liberty Memorial High School,
Lawrence, Kansas.

Dear Elmer:

I am sending you a carbon copy of a letter I wrote to a coach at Bar Harbor, Maine, who had some questions about playing on a small court.

I thought some of the information in my letter might be helpful to you in your coaching, and for that reason am sending it along to you.

With best wishes for a very happy and prosperous New Year, I am

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
