Mr. Limon E. Stiles,  
Connecticut Mutual Life Insurance Co.,  
521 Wheeler-Kelly-Hagney Bldg.,  
Wichita, Kansas.

Dear Mr. Stiles:

Thank you for your very kind letter of the 24th instant. I would be glad to come if I could arrange it. However, at the present I am up to my ears in administration problems, having the promotion of the Coaches Association, the Rules Body and the Basketball Tournament in Kansas City this spring. This is quite a sizeable job, besides all the other details, one of which is coaching the University of Kansas basketball team.

I would be glad to do any of these things that would be helpful to any organization in the state. After all, we do operate a service department here, and if I can be of any service to any corporation in the state it will be a pleasure to do so.

I have no other engagements in or near Wichita. I spoke for Principal Brooks at two of the high school assemblies last year, and a couple of years ago I was in Wichita on an inspection trip through the public schools with Mr. Strong Hinman. It might be possible for you to arrange some sort of a trip whereby I could speak at the two high schools in connection with your program.

My lightest days, so far as my teaching schedule is concerned, are Tuesday and Thursday. On Monday, Wednesday and Friday I have classes from 9:30 to 12:30. In the afternoons I have basketball practice on Monday, Tuesday and Thursday.

After you have checked your calendar I will be glad to hear from you again.

Very sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
