Dear Chucks

I received your wire yesterday regarding John Slesseger's decision to enroll at another school this fall. It is perfectly all right, and we would have been very happy to have cooperated one hundred per cent with you. But we understand those changes.

While I know you are somewhat disappointed, yet you have a very definite conviction that you delivered for the Dad, and after all, I take it that is what you were attempting to do - please the family.

Under the conditions we thank you for your very prompt notification so that we can switch this help to other needy students who are hard pressed for a job. If at any time in the future we can be of any cooperative service, please command us.

With best wishes, I am

Faternally yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
