Mr. Lawrence Stanton,
Dodge City High School,
Dodge City, Kansas.

Dear Lawrence:

Someone told me they had read in the paper of your transfer from Page City to Dodge City. I presume you have taken over the basketball team in place of Kenneth Senter, who went to Kansas City.

I want to congratulate you on your new job, and with the best of success for you.

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
