Mr. Kelly Swenson,  
Kelly Drug Company,  
Gillette, Wyoming.

Dear Kelly:

I was certainly happy to receive your post card with Gutzon Borglum's technique appearing thereon. That certainly will be a great memorial when it is finished - not only a memorial to Borglum but an everlasting memorial to the great men who have carved this country out of a wilderness.

Kelly, it was swell to hear from you and I see that you are enjoying life - going places, seeing things, and having a good time. I trust that your antelope hunt on September 4th was productive of much good and turned out to be a pleasurable voyage.

With every good wish to you, I am

Sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
