Mr. Oran Shearer,
Allison Intermediate School,
Wichita, Kansas.

Dear Oran:

In reply to your letter of the 28th ultimo I would like to suggest that Mr. E. B. DeGroot, Jr., a new member of our faculty, serve on your Men's Committee on Curriculum Construction for Kansas High Schools. We feel that Mr. DeGroot is particularly well qualified to serve on this committee.

Mr. DeGroot is a graduate of Stanford University, and has taught several years in the California high schools. I am sure you will find him very cooperative and helpful on this committee.

Very sincerely yours,
