Mr. Stanley Schwalm,
Manager, Granada Theater,
Lawrence, Kansas.

Dear Stan:

Congratulations on winning the prize
in the Movie Contest! I am sure this was richly de-
served.

It is fine of you to divide the prize
with Scotty, as I am sure he helped tremendously in the
campaign. It is not every boss that would divide such
a prize with his assistant.

There is something else I want to say
to you, Stan, but I'll not put it in a letter. I'll
see you before long.

Cordially yours,

Director of Physical Education,
Varsity Basketball Coach.
