Dr. F. C. Allen
University of Kansas
Lawrence, Kansas

Dear Mr. Allen,

I need help very badly in arranging a program for the Topeka meeting next fall.

It has been suggested to me that we have a medical man, who is also interested in physical education, talk to our joint meeting next fall. This seems to be a good suggestion and I am wondering if you do not know of such a person there in the University.

Of course, this is only one suggestion. Possibly you could offer a better one, or have some person in mind that would be excellent for our meeting. Please let me have any ideas you have on this subject.

Very truly yours,

H. Bruce Smith
