Mr. C. S. Edmundson,
Basketball Coach,
University of Washington,
Seattle, Washington.

Dear Rec:

Thank you very much for your good letter of the 9th instant. I will be glad to hear from your Athletic Director, Mr. Ray Eckman, when he returns from the Pacific Coast Conference annual meeting.

It will be a great pleasure to meet Washington in some future games, and if not 1939 and '40, maybe in 1940 and '41. It seems like the years slip by so rapidly that a year's delay doesn't make a lot of difference.

With kindest regards and best wishes for the Yuletide season, I am

Sincerely yours,

Varsity Basketball Coach,
Director of Physical Education.
