Dear Boys of the S.A.E.:

I want you to know that we appreciate your thoughtfulness. The wire reached us enroute from Norman to Lawrence, and meant much to the boys. We assembled the gang together in the train and read the wire. We all agreed that you have three sterling representatives on the team who wear your badge.

Personally, I did not believe we could do it, but the boys showed me that we could. Again an instance where youth shows age that the impossible can happen.

With deep appreciation of your support, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
