

December 3rd, 1937.

Mr. Ray Noble.  
c/o Healy Motors.  
Kansas City, Kansas.

Dear Sir:

We have your letter enclosing remittance of \$25.00 to apply on your notes.

You had one note for \$65.00 dated February 16 upon which you had paid \$25.00 on October 4th and a like amount on November 2nd leaving unpaid balance of \$15.00 on principal. On September 3rd you had paid interest of \$2.65 which at that time was estimated to pay interest to Oct. 21st but with the October 4th payment you were entitled to 17 days credit on the interest on that amount which abouts off-sets the interest since that time and we are therefore returning that note as paid. The balance of the remittance has been applied on the \$85.00 reducing it to \$75.00.

Yours very truly,

President.
