Mr. J. M. Saunderson,
Athletic Director,
Morningside College,
Sioux City, Iowa.

Dear J. M.:

Several of your boys who were in the coaching school last year spoke to me about desiring to take a course in Treatment of Athletic Injuries from me.

I am wondering if you would be kind enough to send me last year's list at your coaching school so that I might pick out those fellows who spoke to me and write to them. I would appreciate this very much.

I hope you can come down with Coach Rogers on the trip early in December.

I want you to know that it was a great pleasure to be at your school last summer and to get better acquainted with your official family, and your own immediate family.

With every good wish, I am

Sincerely yours,

FCA:AH

Director of Physical Education.
