Miss Miller,
A. G. Spalding Company,
1012 Grand Avenue,
Kansas City, Mo.

Dear Miss Miller:

I acknowledge receipt of the green cotton shirt and green pants. Will you send me a sample of a light weight green wool shirt for our inspection?

We are now expecting to use the old varsity pants for the freshmen, but we desire to use a green shirt with light trim on it around the neck and arm pits or a white band across the chest so that we may put the numerals thereon.

Will you be kind enough to send me a sample of any stuff that you have in stock there in the light wool garment? We will then give you our order.

Thanking you, I am

Sincerely yours,
