

November 5, 1937.

Mr. Charles Seymour,  
~~Spencer~~ Sporting Goods Co.,  
Salina, Kansas.

Dear Charlie:

We are in need of 18 sets (1½ dozen) of those green cotton jerseys. We would also like to have the same number of green pants. On the front of the jersey we want

F R O S H

4 1

the three-inch numbers to be below the word Frosh. On the back of the jersey we want numbers, starting with 3 and continuing on up the numerical ladder. They should be five-inch numbers.

Charlie, I want you to write me right away and let me know if you can fill this order and have it here before our first game with the varsity on December 3. I spoke to Gwinn Henry this morning and he O.K.'d the purchase, but I want to be sure that it can be here.

Is this stuff made up in Kansas City, or is it made up in Chicago? If you have to send further away than Kansas City for it, I believe I better order this little stuff from one of the houses that make it up in Kansas City, as it is not large enough to take the chance of it not getting here on time.

I want the pants striped on the side and around the bottom. As soon as I have this information I will get the sizes for you.

Very cordially yours,

FCA:AH

Director of Physical Education.
