Mr. Charles Seymour,

Salina, Kansas.

Dear Charlie:

Thank you for your good letter of the 7th instant. I am writing to Miss Miller today, asking if she will send a sample of the shirt and pants down so that we will have a look at them.

I am just wondering about the color of the green, and so forth. We are getting the sizes, and just as soon as we take them we will send that in. If the samples are satisfactory, which I am very sure they will be, then the order will be sent through.

You wrote Miss Miller a very nice letter, and I am sure that she will take good care of us.

With every good wish, I am

Very sincerely yours,
