Dear Phog:-

First of all I appreciate very much the letter of Nov 5th, regarding the Frosh Basket Ball Suits and wish to assure you that our setup on delivery of these suits is A1 and you need not have any worries at all about them being there in time for the Dec 3rd game. While our source of supply for these garments is not in Kansas City we may have part of them there now for delivery and the balance is available on short notice.

I am enclosing a copy of the order as it should be for manufacturing purposes and also a letter I am forwarding to Miss Miller at the Kansas City store. I would appreciate it greatly if you forward the sizes to her and she will see that the order is followed through to assure you prompt delivery.

Now if this is not entirely satisfactory to you why you just drop Miss Miller a line advising her of same instead of sending the sizes. Dont worry though as I would not accept the order unless I knew positively we could perfect delivery.

Incidently I was in Lincoln yesterday and enjoyed the game greatly and my only wish is that we could of held them 4 minutes longer but the man power was too big.

Your Freind
