I am attaching an order subject to Dr Allens approval as per the copy of my letter to Dr Allen. Now please by all means ~~watch~~ this order extremely carefully on account of the delivery of same. You will note in my letter to Dr Allen that he will forward the sizes direct to you and then you get busy and check the stock on hand and wire for additional items providing you are short any sizes. Have Mr Carmondy letter and trim all the garments in Kansas City so there will be on factory delay on this. Please advise me the outcome of this order as I am anxious to take good care of KU as you already know and we owe them good service.
