Mr. Ralph H. Spotts,
Title Insurance and Trust Co.,
Los Angeles, California.

Dear Parson:

It was a delight to have a visit with you and Mrs. Spotts when you were in Lawrence. I was sorry indeed that I was so rushed at the noon hour when we took luncheon together at the Phi Psi house.

My married son, Milton, ran in for a few hours from his home at Russell, Kansas, and I had to hasten back home to have a short visit with him before he left that afternoon. I am mentioning these facts to explain to you why I absented myself so quickly.

I am sorry that we could not have had you and Mrs. Spotts come to the house, but reading the galley proof of my new book which came from New York just at that time, combined with the school duties for our youngsters in high school and the University, kept me moving rather rapidly. The new Department of Physical Education has also occupied a fulsome time the first few weeks.

I trust that your visit east was both pleasant and profitable. It meant a lot to me to have an opportunity to visit with you and Mrs. Spotts, even for a short time.

Give those two fine sons of yours my regards. I am hoping that they fulfill their Dad's and Mother's hopes and ambitions for them.

With every good wish, I am

Fraternally,

FCA:AH

Director of Physical Education.
