Lawrence, Kansas.

Dear Miss Kay:

May I thank you sincerely, both on behalf of myself and the Department of Physical Education.

Your gracious attitude in being enthusiastic about playing on the University golf course stamps you as a fine sportswoman. You, Betty, Glen and Ray contributed a very definite part in making the exhibition foursome a splendid success. I assure you we appreciate the same.

If at any time we can reciprocate the courtesy, please command us.

Sincerely yours,

FCA:AH

Director of Physical Education.
